

2013 Southern California Geobiology Symposium

Parking/Walking directions:

Park in non-reserved spaces in the parking structures. The east side of Wilson Ave. and north side of California Blvd. are also valid for day-long parking.

Follow Bechtel Mall into campus. Arms is the second building on your right. A sign-in table will be set up outside the building. Oral sessions will be held in the Sharp Lecture Hall (155 Arms). Poster sessions and meals will be held outside the geology buildings along the mall.

If you arrive late for breakfast or lunch, there are numerous coffee shops (Peets coffee, Starbucks) and food options (Noah's Bagels) on the corner of California and Lake Ave. three blocks west of campus. Other food options may be found to the north along Lake Ave.
